Your Child at Play: Birth to One Year: Discovering the Senses and Learning About the World

Marilyn, PhD Segal

This easy-to-read, delightfully illustrated book is organized in a month-by-month format. Each chapter begins with a description of the developmental events and advances in play behavior that are likely to occur during that month. A section on play ideas suggests ways that parents can introduce games and activities that capitalize on their babies' emerging skills. Included are:

- More than 180 candid photos showing babies, parents, and caregivers at play
- 400 fun-filled play activities for parent and child to share during daily routines such as mealtime, diapering, bath time, and quiet time
- A month-by-month overview of a baby's intellectual, emotional, social, and physical development
- Suggestions for solving everyday problems centering around sleeping, eating, and crying
