Annie Cashes in on a Favor: An FFM Threesome Erotica Story Sarah Blitz

I owed Annie big time, so when she asked me to do a threesome with her, there was no way I could refuse. I never expected it to be so incredible. I had my first lesbian sex and I think it must have been the hottest experience of my life!

Warning: This ebook contains very explicit descriptions of ffm threesome sex and includes first lesbian sex. Only mature adults who won't find that offensive should read this story.

Here is a preview:

That's why I was hiding in Annie's bathroom listening to her tell Bobby to get undressed and get on the couch. That's why my heart was beating like crazy as I heard her tell him she had a surprise for him. That's why when she said, "I want to make sure you go back to Germany with a smile on your face," I stepped out of the bathroom and startled him.

Bobby was naked, as instructed, and sitting right on the edge of the couch where she told him to be. His cock was soft but when I stepped out it sprang right to attention and I had to suppress a giggle. I myself was naked as well but I had changed my hair so that it hung in little blonde pigtails on either side of my face. I stood in front of him with my hands behind my back and tried to look shy and inexperienced. His eyes were wide with lust and I thought it was hilarious. Annie was naked, too, and she walked up to him and got on the couch. "I brought you an innocent girl to have, baby."

It's not like I was old or anything, hell, I'd only turned just nineteen but with the pigtails and with the makeup and the shy expression I'm sure I looked a few years younger and I bet it gave him some kind of perverse thrill. I saw his cock and I decided to just spring into action. I always loved the sense of power when I used my mouth and that's what I did. I walked up and fell to my knees and grasping his cock with my hand I began sucking at the tip, moaning, making all sorts of noises as I did. Then, I pulled my mouth off and looked up innocently while batting my eyes. "Am I doing it right?"
