## **Daughters of Arabia: Princess** Jean Sasson

Readers of Princess Sultana's extraordinary biography Princess were gripped by her powerful indictment of women's lives behind the veil within the royal family of Saudi Arabia. They were every bit as fascinated by the sequel, Daughters of Arabia. Here, the princess turns the spotlight on her two daughters, Maha and Amani, both teenagers. Surrounded by untold opulence and luxury from the day they were born, but stifled by the unbearably restrictive lifestyle imposed on them, they reacted in equally desperate ways. Their dramatic and shocking stories, together with many more which concern other members of Princess Sultana's huge family, are set against a rich backdrop of Saudi Arabian culture and social mores which she depicts with equal colour and authenticity. We learn, for example, of the fascinating ritual of the world-famous annual pilgrimage to Makkah as we accompany the princess and her family to this holiest of cities. Throughout, however, she never tires of her quest to expose the injustices which her society levels against women. In her courageous campaign to improve the lot of her own daughters of Arabia, Princess Sultana once more strikes a chord amongst all women who are lucky enough to have the freedom to speak out for themselves.

#### **Daniel McDonald:**

Nowadays reading books be than want or need but also get a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book this improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with knowledge books but if you want sense happy read one using theme for entertaining for instance comic or novel. The particular Daughters of Arabia: Princess is kind of e-book which is giving the reader unforeseen experience.

#### **Catherine Ng:**

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Daughters of Arabia: Princess can make you sense more interested to read.
