## **Escaping Perfect** Emma Harrison

*Gone Girl* meets the TV show *Nashville* in this sultry summer read about a girl who runs away from her high-profile past to live the normal life she's always wanted.

Cecilia Montgomery has been America's sweetheart since the day she was born. A member of the prestigious Montgomery family—the US equivalent of royalty—her childhood was cut short after she was nearly kidnapped. Since then, Cecilia has been hidden away, her adolescence spent at an exclusive boarding school.

Her dreams of becoming a professional violinist—dashed.

Her desire to be a normal teenager—not possible.

Her relationship with her once-loving parents—bitter and strained.

Nothing about Cecilia's life is what she would have planned for herself. So when an opportune moment presents itself, Cecilia seizes the chance to become someone else. To escape. To disappear. To have the life she always dreamed about, far away from her mother's biting remarks and her sheltered upbringing.

Cecilia says goodbye to the Montgomery name and legacy to become Lia Washington: relaxed, wild, in love, free, and living on her own terms for the very first time. But being on your own isn't always as easy as it seems...

### From reader reviews:

#### **Pamela Adair:**

Here thing why this particular Escaping Perfect are different and trustworthy to be yours. First of all examining a book is good nevertheless it depends in the content than it which is the content is as delicious as food or not. Escaping Perfect giving you information deeper and different ways, you can find any guide out there but there is no book that similar with Escaping Perfect. It gives you thrill studying journey, its open up your eyes about the thing in which happened in the world which is probably can be happened around you. It is easy to bring everywhere like in recreation area, café, or even in your method home by train. When you are having difficulties in bringing the published book maybe the form of Escaping Perfect in e-book can be your choice.

#### **David Lucero:**

Nowadays reading books be than want or need but also work as a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The information you get based on what kind of guide you read, if you want send more knowledge just go with schooling books but if you want truly feel happy read one together with theme for entertaining like comic or novel. The actual Escaping Perfect is kind of publication which is giving the reader capricious experience.

#### **Donald Worsley:**

Information is provisions for people to get better life, information presently can get by anyone in everywhere. The information can be a knowledge or any news even a problem. What people must be consider any time those information which is within the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you receive the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Escaping Perfect as your daily resource information.

#### **Andrew Gillon:**

Reading a book being new life style in this year; every people loves to examine a book. When you go through a book you can get a great deal of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your study, you can read education books, but if you act like you want to entertain yourself read a fiction books, such us novel, comics, and soon. The Escaping Perfect offer you a new experience in looking at a book.
