How to Hug a Teenage Porcupine Dr. John L. Lund

Dr. John Lund likes to remind people that they either married their biggest test in life or they gave birth to it! This all-new, three-part seminar is designed to help parents get past the test of raising teenagers. Dr. Lund draws on his extensive background as a marriage and family mediator, as well as his experience of surviving his own eight teenagers, to deliver practical information and real solutions. And of course, he uses humor to drive home his message. For example, he reminds parents that nagging teenagers is much like trying to teach a pig how to sing - it doesn't work and it irritates the pig!
