The Apartment: A Novel Danielle Steel

They come together by chance in the heart of New York City, four young women at turning points in their lives. Claire Kelly finds the walk-up apartment—a spacious loft in Hell’s Kitchen. But the aspiring shoe designer needs at least one roommate to manage it. She meets Abby Williams, a writer trying to make it on her own, far away from her successful family in L.A. Four years later, Morgan Shelby joins them. She’s ambitious, with a serious finance job on Wall Street. Then Sasha Hartman, a medical student whose identical twin sister is a headline-grabbing supermodel. And so the sprawling space, with its exposed brick and rich natural light, becomes a home to friends about to embark on new, exhilarating adventures.

Frustrated by her ultra-conservative boss, Claire soon faces a career crisis as a designer. Abby is under the spell of an older man, an off-off-Broadway producer who exploits her and detours her from her true talent as a novelist, while destroying her self-confidence. Morgan is happily in love with a successful restaurateur who supplies her roommates with fine food. At her office, she begins to suspect something is off about her boss, a legendary investment manager whom she’s always admired. But does she even know him? And Sasha begins an all-work-no-play residency as an OB/GYN, as her glamorous jet-set sister makes increasingly risky decisions.

Their shared life in the apartment grounds them as they bring one another comfort and become a family of beloved friends. Unexpected opportunities alter the course of each of their lives, and as they meet the challenges, they face the bittersweet reality that in time, they will inevitably move away from the place where their dreams began.

This vibrant, tender, and moving tale pulses with the excitement of New York City, as Danielle Steel explores twists of fate, and the way that sometimes, in special places, friends can be the family we need most.

From reader reviews:

Luisa Johnson:

The book *The Apartment: A Novel* can give more knowledge and information about everything you want. So why must we leave the best thing like a book *The Apartment: A Novel*? Some of you have a different opinion about book. But one aim that will book can give many information for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or info that you take for that, you could give for each other; you could share all of these. Book *The Apartment: A Novel* has simple shape however, you know: it has great and large function for you. You can search the enormous world by open up and read a book. So it is very wonderful.

Jaime Leflore:

This *The Apartment: A Novel* book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is definitely information inside this publication incredible fresh, you will get facts which is getting deeper an individual read a lot of information you will get. This kind of *The Apartment: A Novel* without we know teach the one who reading through it become critical in contemplating and analyzing. Don't possibly be worry *The Apartment: A Novel* can bring any time you are and not make your carrier space or bookshelves' turn into full because you can have it inside your lovely laptop even telephone. This *The Apartment: A Novel* having fine arrangement in word along with layout, so you will not really feel uninterested in reading.

Ernestine Pagan:

Reading a guide can be one of a lot of task that everyone in the world really likes. Do you like reading book so. There are a lot of reasons why people like it. First reading a guide will give you a lot of new info. When you read a publication you will get new information mainly because book is one of many ways to share the information or perhaps their idea. Second, examining a book will make you more imaginative. When you examining a book especially fictional works book the author will bring that you imagine the story how the figures do it anything. Third, you could share your knowledge to other people. When you read this *The Apartment: A Novel*, you are able to tells your family, friends as well as soon about yours book. Your knowledge can inspire others, make them reading a book.

Verna Krell:

This *The Apartment: A Novel* is great reserve for you because the content which is full of information for you who else always deal with world and still have to make decision every minute. This book reveal it info accurately using great manage word or we can claim no rambling sentences included. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but tricky core information with splendid delivering sentences. Having *The Apartment: A Novel* in your hand like obtaining the world in your arm, details in it is not ridiculous one. We can say that no guide that offer you world within ten or fifteen small right but this book already do that. So , it is good reading

book. Hey Mr. and Mrs. busy do you still doubt this?
