How to become CEO of a company: how to become a successful and happy CEO: How to become CEO and make a difference, in your life and career Frank Ra

Do you want to become CEO of your company, for personal benefit and to benefit your colleagues, customers, etc.? As suggested in our AmAre approach, start by being Aware: forget all the books and expensive seminars given by rock-star CEOs. In most of the cases, you are just paying to listen to what the speaker thinks you want to hear; a wonderful opportunity to learn communication skills, but not a venue to learn how to become a CEO. Getting at the top is not easy, because many people aspire to the same results, and among the ones who don't, there are some who just like, or happen, to obstruct the path of others. In this book about becoming CEO of a company, we integrated into AmAre (www.AmAreWay.org) some of the advices provided by Jeffrey Pfeffer in his book "Power - Why some people have it, and others don't". Remember: success starts with cultivating happiness and well-being; if you think you can be happy only if you become a CEO, than think again. Start cultivating your happiness now, respect your well-being and other beings, and enjoy the journey which leads you from where you are now to become a CEO!
