Once Upon a Mail Order Bride

(Harriet & Alex) Book 1

Harriet Milestone is young and beautiful, but is miserable from a broken heart. **She has just lost her uncle, Victor, the only kin she's ever known. Victor has left her everything he owns, and she is confident that her future will remain bright, despite this mournful time in her life.**

Her misery has led her to finding a letter in her uncle's room. A letter that started out well, but in the end, turned out to be her worst nightmare. Victor has set her up to go to Oregon to marry the son of a wealthy merchant. And as if things could not get any worse, she receives news that Victor had owed a fortune to one of the richest men in Baltimore, that has not been paid off.

This man has made a deal with her. Marry him and keep the property, or leave. Harriet is caught between two difficult decisions. **Will she stay and marry a man who is thrice her age, or will she run off to the West to marry a boy she's never met before?**
