Psychopathology: A Competency-Based Treatment Model for Social Workers Susan W. Gray, Marilyn R. Zide

This ground-breaking text features information outlining the competency-based model for psychopathology, including cases illustrating the model in action. It also presents strategies for building on clients' strengths and resilience and offers insights to social workers regarding their role in working with the mentally ill. The text's ecological perspective approach captures a holistic perspective on the factors that impact behavior. The text also features appropriate treatment techniques that reflect social work values and ethics. Finally, this treatment book takes on a theme of professional competency, focusing on measurable outcomes in managed care settings--showing how a practitioner's intervention has been effective and efficient.
