Real Estate Tsunami Survivor's Guide: Prospering in Today's Financial Storm Peter Ingersoll

Real Estate Tsunami Survivor's Guide is the definitive analysis on the causes of the commercial real estate bubble of 2005-2007 and the subsequent Great Debt Implosion. Written in plain language by Peter Ingersoll, who has over twenty-five years of professional experience in commercial real estate, it outlines how to safely approach investing in commercial real estate in the current distressed market. Extensive research and input from the industry's best minds has gone into this indispensable handbook, making it a must have for the serious commercial real estate investor who wants to take advantage of the current buyer's market. It's an important read that explains the economic decisions and events that led to our current financial crisis. The book is filled with practical tips on how to buy in a distressed market and offers the seasoned, as well as the newcomer, specific advice on how to invest in real estate in today's shaky economy.
