Social Change in Melanesia: Development and History

Paul Sillitoe

Social Change in Melanesia: Development and History Paul Sillitoe

This book offers a clear and absorbing account of social change in Melanesia since the arrival of Europeans, covering the colonial period and the history of the new postcolonial states. It discusses economic and technological change, urbanization, the development of the modern state--and the often violent reactions to these dramatic transformations. The book also considers the dilemmas of development that threaten the environment.
