What is an Amazon Woman? Mythical or actual, what were these fierce women fighting for? Perhaps there is more to their story than we have been told. In a forest in Northern California, Dintino encounters a Tree that tells her she does not like her pattern. Surprised and intrigued by this statement, Dintino asks the tree what pattern it does like. "What happened to the Amazon Pattern?" the Tree responds. "I want the Amazon Pattern." This mysterious meeting propels Dintino onto the journey described in her book. With curiosity and wonder leading her, Dintino uncovers a thread of messages that ancient Amazon Women hid, discovers a lost tradition of priestess-diviners, and begins to understand and restore this mystical cosmology of Trees and Time called The Amazon Pattern. Discover this ancient pattern that has been stored away in time and find out what it has to offer today's world.
