Joseph Smith said that God's plan of salvation is "one of heaven's best gifts to mankind." But how many of us understand the depth and breadth of it completely? And how many of us feel comfortable teaching those eternal truths and doctrines to our families or our classes? Authors and gospel teachers John Hilton III and Anthony Sweat have teamed up again to lead teenagers step-by-step through the entire plan of salvation from our pre-mortal existence to the Final Judgment and our inheritance of glory by using easy-to-understand language, timely examples, scriptural references, and enlightening quotes from our latter-day prophets and apostles.
