The Gay Gospel? Joe Dallas

In this updated edition of *A Strong Delusion*, author and counselor Joe Dallas helps readers understand what pro-gay theology is and how to confront it. In a biblical manner, Dallas examines believers' personal responses and the need for bold love and commitment as they become familiar with the movement's background and beliefs; study a clear, scriptural response to each belief; and extend Christ's love to those living the homosexual lifestyle. This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community. It offers the balance between conviction and compassion and a practical guide to communicating with those who have embraced the pro-gay Christian movement.
