Carrie St. John: Wealthy, privileged and...adopted? The idea would be preposterous, except...Carrie has never truly felt she belonged. Now she has a sister who wants to meet her and a brother no one can find. Not to mention adoptive parents she doesn't seem to know anymore. With all the changes going on, it seems the only stable presence in her life is the P.I. who tracked her down. Mark Kinkaid has become a trusted confidant and counselor, a good friend. Could it be love she's feeling for him-or just need? Will she discard him once she's sorted things out? That's what he'd like to know.
