~ Sometimes you have to go through hell to find your heaven ~

Most women have a wish list when it comes to what kind of man they want to date. JC Mathews used a strict set of guidelines as a safety net to keep herself out of trouble and out of love.

On hiatus from the bright lights and speculative gazes of her career in the fashion industry, JC lets her guard down...only to the wrong man. After escaping Italy and the hands of her abuser, she returns to Malibu to recover. The last thing she expects to find is a large, gorgeous intruder swimming naked in her pool.

Reed Rider left Texas and his broken heart behind in order to settle his aunt's affairs after her death. Seeking refuge from the California heat for a midnight swim in his neighbor's backyard, he never expects to find the nude silhouette of a long-haired beauty standing at the water's edge.

As their passion ignites and the pages of JC's rulebook fade to grey, she unlocks her guarded heart to begin a new chapter in her life. When hidden truths are exposed and secrets unravel, will they survive the threats from their broken pasts?
