The Turn of the Screw and Other Short Novels (Signet Classics) Henry James

A collection of six short novels from the celebrated author of *The Portrait of a Lady* and *Washington Square*...

By turns chilling, funny, tragic, and profound, Henry James's short novels allow readers to experience the full range of his skills and vision. The title story, a chilling masterpiece of psychological terror, mixes the phantoms of the mind with those of the supernatural. "Daisy Miller," the tale of a provincial American girl in Rome that established James's literary reputation, and "An International Episode" are superb examples of his focus on the clash between American and European values. And in "The Aspern Papers," "The Alter of the Dead," and "The Beast in the Jungle," the author's remarkable sense of irony, his love of plot twists, and his view of male-female relationships find exquisite expression.
