Sisters Found Joan Johnston

New York Times bestselling author Joan Johnston has delighted millions of readers with her heartwarming tales set in the American West...

Hope

Hope Butler is about to watch the man of her dreams, Jake Whitelaw, marry another woman—unless she finds Faith

Faith has always been more concerned with the happiness of others than with her own, and if she isn't careful, she's going to let the perfect match slip through her fingers.

Charity

Adopted at a young age, Charity Burnette never really had a home, and she's not one for putting down roots—even if it means shutting out the man who'd love to call her his wife.

When three sisters come together unexpectedly at Hawk's Pride Ranch, the sparks fly. But each woman is about to learn something about herself, about family and about the love of a good man.
