The Annotated Firebird Kathy Tyers

Firebird: Lady Firebird Angelo departs her home world expecting death in space combat. Captured instead, she finds a startling destiny among an ancient telepathic family—and a new kind of battle against implacable enemies.

Fusion Fire: Firebird discovers both evil and uncontrollable power at the depths of her own spirit, and when her sister commits unspeakable treachery, she must draw on that power to save the man she loves from certain death.

Crown of Fire: Firebird returns to her home world, where some consider her a hero—but those in power have labeled her a traitor. Facing death once again, she discovers the cost of pride and the true meaning of sacrifice.

In a single volume with newly created maps and annotations, here are the first three volumes of the beloved Firebird series.
