Here is a stunning new book that succeeds in doing nothing less than chronicling the social transformation of masculinity over a three-decade span. Through thematically arranged essays by leading experts, *Voice Male* illustrates how a growing movement of men is redefining masculinity. In this collection, Rob Okun directs a chorus of pro-feminist voices, introducing readers to men examining contemporary manhood from a variety of perspectives: from overcoming violence, fatherhood, and navigating life as a man of color, a gay man, or a boy on the journey to manhood. It also provides a critical forum for both male survivors and LGBTQ men to speak out. This inspired book is evidence of a new direction for men, brightly illuminating what's around the bend on the path to gender justice.
