Daniel X: Armageddon: Daniel X, Book 5 James Patterson, Chris Grabenstein

In the fifth installment of James Patterson's action-packed Daniel X series, Daniel must now face an alien whose origins appear nearer to the depths of Hell than the outer reaches of the galaxy. Number Two is an unstoppable criminal that's slowly been amassing an underground army of disgusting, disgruntled, and dangerous aliens to help him enslave Earth's population. And it's all in preparation for the arrival of Number **One**, the most powerful alien in the universe and Daniel's arch-nemesis.

To Daniel's horror, thousands of humans defect to the alien's side, making the odds of success that much more impossible. But for the first time in his life, Daniel isn't alone in his fight. He's connected with several military and intelligence groups - including the daughter of a prominent FBI agent - and is prepared to lead the ultimate showdown against the evil that has plagued planet Earth for so long. Readers, beware - and be prepared for a truly epic battle that evokes the ancient prophecies of Armageddon!
