Dulce: Greys' Hell in America. Aliens' Factory of Human Bodies' Parts Maximillien De Lafayette
Published by Times Square Press, New York. Officially, Dulce Base does not exist. The Base was jointly created by the Grays and a shadow government. Aliens who work at Dulce speak perfectly English. It was reported that many of them, especially the tall ones, are not considered and/or called aliens by their human counterparts. Some very well-informed co-workers and insiders believe they are "Hh", acronym for human-hybrids, others call them Intraterrestrials". The Im, acronym for the "Internal Manifesto" classifies them into three separate categories. The precise & astonishing information and data about Dulce as provided in this report were obtained directly from: 1-A meeting at Area 51, which gathered some of the most powerful personalities from our government, top brass, and members of a "Shadow Government". 2-A sudden inspection of the base by one of our most descent generals. 3-Eyewitnesses' reports and official attestations.
