Joseph Stiglitz

El precio de la desigualdad (The Price of Inequality) (Spanish Edition) (Pensamiento / Taurus) Joseph Stiglitz

El 1 % de la población disfruta de las mejores viviendas, la mejor educación, los mejores médicos y el mejor nivel de vida, pero hay una cosa que el dinero no puede comprar: la comprensión de que su destino está ligado a como vive el otro 99%. A lo largo de la historia esto es algo que esa minoría solo ha logrado entender... cuando ya era demasiado tarde. Las consecuencias de la desigualdad son conocidas: altos índices de criminalidad, problemas sanitarios, menores niveles de educación, de cohesión social y de esperanza de vida. Pero cuáles son sus causas, por qué está creciendo con tanta rapidez y cuál es su efecto sobre la economía? El precio de la desigualdad proporciona las esperadas respuestas a estas apremiantes cuestiones en una de las más brillantes contribuciones de un economista al debate público de los últimos años.

ENGLISH DESCRIPTION: While the top 1 percent of the population enjoy the best health care, education, and benefits of wealth, they fail to realize that their fate is bound up with how the other 99 percent live. The consequences of inequality are known: higher crime rates, sanitary issues, lower levels of education, social unity, and hope for a better life. Here, Nobel Prize-winning economist provides answers to this rapidly growing and troubling matter.

From reader reviews:

Jason Hill:

People live in this new morning of lifestyle always aim to and must have the spare time or they will get wide range of stress from both daily life and work. So , whenever we ask do people have free time, we will say absolutely sure. People is human not just a robot. Then we request again, what kind of activity are there when the spare time coming to you of course your answer will certainly unlimited right. Then ever try this one, reading books. It can be your alternative with spending your spare time, the book you have read will be El precio de la desigualdad (The Price of Inequality) (Spanish Edition) (Pensamiento / Taurus).

George Thomas:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this El precio de la desigualdad (The Price of Inequality) (Spanish Edition) (Pensamiento / Taurus) can make you truly feel more interested to read.

Belinda Bedard:

What is your hobby? Have you heard that question when you got scholars? We believe that that problem was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. So you know that little person just like reading or as studying become their hobby. You need to know that reading is very important along with book as to be the point. Book is important thing to include you knowledge, except your own teacher or lecturer. You will find good news or update with regards to something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them are these claims El precio de la desigualdad (The Price of Inequality) (Spanish Edition) (Pensamiento / Taurus).

Clarence Williams:

Reading a book make you to get more knowledge from it. You can take knowledge and information from the book. Book is prepared or printed or created from each source that will filled update of news. With this modern era like currently, many ways to get information are available for you. From media social like newspaper, magazines, science reserve, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just looking for the El precio de la desigualdad (The Price of Inequality) (Spanish Edition) (Pensamiento / Taurus) when you desired it?
