An engaging audio program which teaches listeners how to speak French. Sound effects and original music keep the program vibrant and entertaining. Personal tutors guide listeners through each step - introducing new words and practicing right along with the listeners. A wide range of voices and accents from French-speaking countries around the world helps to acquaint the listeners with the variety of French accents. The step-by-step playful style teaches beginners the building blocks of French so that they can expand their conversational ability for any situation.
