Lighthouse Nights Jake Vander Ark

Jules and Trevor take advantage of potential suicide victims by encouraging them and profiting off their deaths. When Jules falls in love with their seventh target, she's forced to make a series of life-or-death decisions and a single, impossible change. "Lighthouse Nights" is a frightening fairytale about haunting regret, maniacal hatred, the longing to create, and ultimate redemption. This fast-paced story is as touching as it is twisted, and highlights a disturbing new trend among American teens.
