Curvy Alex Morrison is looking for a little more in life than bad grades and balanced books and she soon finds herself on a remote, snowy ranch with the one of the sexiest men she's ever seen...

She likes people, she loves kids, and she would like, for once in her life, to feel like she mattered to someone. She jumps at a nanny job posting far away from the last home she knew and finds herself face to face with a man out of any right thinking woman's dreams. After finding a photo of his ex-wife who looks just like a model out of the pages of a Cosmo magazine, she realizes that she doesn't have a chance at her size.

But why is he staring at her like that?

Lucas Riley is a man with a secret.

And a man with a secret is used to being alone.

So when his so called best friend sends him a nanny he never asked for, he doesn't quite know what to do with her. He does, however, know exactly what he'd like to do to her...
