Get a degree, get a job, save adorable foster siblings from the clutches of the evil foster mom ... These are Jocylene Sanders' top priorities as she enters her sophomore year of college. The last thing she expects is to find herself the champion of an entire kingdom. However, that is just what happens when the mysterious Faerie, Rothatin Longspear, appears to her, tasking her with saving a parallel world full of creatures from her wildest dreams. Jocylene journeys with him into the world of Fallada, hoping for answers about her birth parents and background. What she finds is a mystifying past, and an even more uncertain future, as her heart becomes entangled with the stoic, battle-hardened Rothatin, as well as Eli, the untroubled Panther Shifter with no loyalties and no home. With her heart and soul pulled in so many directions, can Jocylene find the strength needed to become the savior one nation so desperately needs?
