## **Getting Lucky For Christmas** Melanie Marks

His name is Lucky. I love him. But he's trouble. So I only love him from afar. Very, very far. Secretly. Only apparently it's not a secret from HIM. (Gasp!) He seems to know. When he--shockingly--starts "wooing" me (his words), I'm not sure which to listen to: my heart or my brain. They are telling me two totally different things. My head tells me he's trouble and I should run the other way; but my heart is telling me I'm lucky. Because man, just his STARE drives me wild ... so what can those amazing lips do? Well, actually I know what they can do. I kissed him--once. He was my first kiss. It was during a rousing game of "seven minutes in heaven." I was so excited to be kissing him I got a nosebleed. (Embarrassing!) So ... you know, I know what his kiss can do to me. Should I run the other way? ... or get Lucky for Christmas?
