You can take control of your life. You can gain control of your credit. You can do it with lower amounts than what currently show on your credit reports. Many companies advertise they can repair an individual's credit for a fee, but the reality is anyone can take steps to repair his or her own credit for much less and without the risk of scam. According to the Federal Trade Commission anyone one can legally remove accurate and timely negative information from a credit report, but it is possible to remove inaccurate information and to take steps to improve creditworthiness. However, it takes time, effort, and a commitment to paying bills on time to achieve a good or excellent credit score. If you are willing to take control of your life and earn your purchasing power back, this is the book for you!!
