THE HELLIONS OF HIGH STREET SERIES CONTINUES WITH SINFULLY YOURS...

*Proper young ladies of the ton-especially ones who have very small dowries-are not encouraged to have an interest in intellectual pursuits. Indeed, the only things they are encouraged to pursue are eligible bachelors. So, the headstrong Sloane sisters must keep their passions a secret. Ah, but secret passions are wont to lead a lady into trouble . . .*

## SINFULLY YOURS

After an eventful Season, Anna Sloane longs for some peace and quiet to pursue her writing. Though her plots might be full of harrowing adventure and heated passion, she'd much prefer to leave such exploits on the page rather than experience them in real life. Or so she thinks until she encounters the darkly dissolute-and gorgeously charming-Marquess of Davenport.

Davenport has a reputation as a notorious rake whose only forte is wanton seduction. However the real reason he's a guest at the same remote Scottish castle has nothing to do with Anna . . . until a series of mysterious threats leave him no choice but to turn to her for help in stopping a dangerous conspiracy. As desire erupts between them, Davenport soon learns he's not the only one using a carefully crafted image to hide his true talents. And he's more than ready to show Anna that sometimes reality can be even better than her wildest imaginings . . .
