Readers who have loved Gayle Roper's first two books in the charming Amish Farm series will be delighted with the concluding book, *A Rose Revealed*.

Rose Martin became a nurse because she wanted to help people in pain. And she has come to realize that part of being a nurse means encountering death. But death by natural causes....not by murder. So when cancer-stricken Sophie Hostetter is murdered, Rose begins asking questions. Soon she's drawn into a maze of family secrets that endanger her own life. Her growing attraction to Amish-raised Jake Zook further complicates her life. His resentment toward her is puzzling--after all, she helped save his life. Why will he not allow her to share that life now?

Readers who love an Amish setting, mystery, and romance will be turning the pages until the satisfying conclusion.

About This Series: Prolific author Gayle Roper's popular Amish Farm series was first released before the Amish fiction genre exploded. Now reissued, the contemporary series is reaching a wide new audience among Amish-reading book buyers.
