Most anti-poverty programs lack a system-wide scope of effort. But when ALL stakeholders people in poverty, communities, businesses, organizations--come to the table with a coherent plan of action, amazing things happen. This book includes clear examples and proven best-practices of what s possible when we re all on the same page. It is a collection of articles published by Philip DeVol, co-author of Bridges Out Of Poverty and a leading voice in helping people come together to end poverty. These papers give you new models, ideas, applications, and tools that present guidelines and action steps.
