Mind Games: An Urban Fantasy Novel (The Lillim Callina Chronicles Book 6) J.A. Cipriano
Sometimes the voices in your head are real.

Lillim Callina is crazy, at least, that's what the doctors tell her. Still, despite their insistence that everything is normal, that monsters don't really hide under the bed and werewolves don't really howl at the moon, Lillim can't shake the feeling they're just plain wrong.

So what's a girl just released from a mental hospital to do? Pretend. And that's what Lillim does. Pretend everything is normal. Pretend her school is real. Pretend the cute boy is really walking with her down the hall. Pretend her mother isn't really dead.

Because if she doesn't, they'll toss her back in crazy jail and throw away the key. If that happens, there will be no way for her to escape, assuming, of course, that she isn't actually crazy.

Mind Games is the sixth book in *The Lillim Callina Chronicles*, an urban fantasy series. Readers who enjoyed Jim Butcher's *The Dresden Files*, Patricia Brigg's *Mercy Thompson* series, or Kevin Hearne's *The Iron Druid Chronicles* will likely enjoy this paranormal adventure.

Prequel 1: Wardbreaker (ASIN: B015XBES6M) is on sale for only \$2.99!

Book 1: Kill It With Magic (ASIN: B00NLZMRO8) is on sale for only \$2.99!

Book 3: Fairy Tale (ASIN: B00S6W8F0G) is on sale for only \$3.99!

Interview with the Author

Q - So, what makes the Lillim Callina Chronicles series special?

A - The urban fantasy series is my take on the genre after a decade playing pen and paper RPGs. At its core you'll find a story about a young girl who must come to terms with not only her powers, but every kind of monster imaginable from vampires and werewolves to psychotic demons. I was once told this paranormal action adventure thriller was an over-the-top, insanely fast-paced, urban fantasy tale with EXTREME ACTION where you never quite know who is going to do what.

The Lillim Callina Chronicles books are a great mix of genres, set in a slightly dystopian fantasy world full of supernatural factions that keep things interesting.

Q - Do I have to read these books in order?

A - Not necessarily. While I recommend readers start with *Alone in the Dark*, *Wardbreaker*, or *Kill it with*

Magic, the series is designed in such a way that a reader could start with *Hardboiled* if they so choose. I have also been told that some readers actually prefer to start with *The Hatter is Mad*, although I'm not quite sure if that works. The sequence of novels is:

- *Alone in the Dark (short prequel)*
- *Wardbreaker*
- *Kill it with Magic*
- *The Hatter is Mad*
- *Fairy Tale*
- *Pursuit*
- *Hardboiled*
- *Mind Games*

Q - So, why should readers give these books a try?

A - Because the Lillim Callina Chronicles takes off and never stops charging forward! The books will give the readers a chance to connect with a girl as she struggles to be a hero and do the right thing even when every situation forces her to question herself and her choices.

If you enjoy books paced at hypersonic speeds and plots that will surprise you all the way until the last page, you'll enjoy this urban fantasy adventure series.

Thanks for reading!
