The end of the world is not glamorous.

In a matter of days the human race was reduced to nothing more than vicious, flesh hungry creatures.

Criminal defense attorney, Samson, struggles to keep his family safe and his sanity intact when the world comes apart at the seams. Veronica, the high school track star, races to get her brother out of their doomed city. Ben, a military veteran, is forced to come to grips with the end of the world as he fights the undead. Andrew, a police officer, struggles to maintain some sort of humanity in a world overrun by death and destruction.

There are no heroes here, just survivors, and they all have one thing in common: who you once were can no longer determine who you will be in the face of catastrophe.

The Breadwinner, book 1 in The Breadwinner Trilogy, thrusts you head first into post-apocalyptic Northwest Florida and will leave you craving more.
